The coach shall submit the completed letters of commitment to the SSL Challenge commissioner prior to the Registrar finalizing team registration.

Any player on a "tryout" team requesting a transfer to another team or dropping off a team within the commitment period shall pay any outstanding obligation to the respective team and any fees and/or penalties required by NCYSA and/or the respective affiliated soccer association. All fees and fines associated with the transfer or dropping off a team shall be paid prior to being accepted on any team under the auspices of SSL and/or NCYSA.

The coach of the above team has fully disclosed the range of expected travel required by the team, the regular season tournaments the team is expected to participate in, and the fees and cost associated with team registration, uniforms, referee fees, tournaments and other team responsibilities. I/We accept responsibility for the above travel and cost requirements and will fully support the team and the coach.
